Gentlemen;

quite a few years ago, 7/4/80  
our relatives were visiting from  
Idaho & we drove to Memorial  
Hill & took some pictures..

The family had been to Midway  
& the Hot pots often years ago.

I contacted the relatives in  
Idaho & they sent these copies.

They said they weren't very  
good, but maybe you can  
get some names from them.

My husband & I also took some  
pictures (slides) and it will  
take me quite some time to go  
thru them to locate the ones  
of the monument. As soon

3 color  
Slides  
of  
Plaques

as I do, I'll send them to you.

We were shocked to think  
someone could steal them.

I have the newspaper article.

Sincerely,

Mrs. Rudolph Miller, Jr.
